Dear Seniors of '57:

I wish to congratulate you upon your successes and also to commend you for sticking to the business of completing your high school education, when so many of your fellow classmates have yielded to the temptation to drop out of school. I am proud of you who have stayed "by the guns" and are now at the threshold of graduation.

It has been a joy to me to have a class with such a variety of talents. Many of you have served your school well. I want to thank you for the help you have given in the different school activities. You have been an asset to the school.

As you leave dear ole Bethel Hill High, my wish for each of you in life is happiness, success, and service to your fellow man. May you ever strive to follow the high ideals of life that we have tried to instill into your minds and hearts during these years.

May God richly bless the lives of all of you.

Your friend and principal,

W. C. Hopkins

DEDICATION

One will never find a more ardent worker than Mr. Earl Rogers; whether it be in the school, in the community activities, such as the Ruritan Club, or in the church. He has made many friends and we consider ourselves very lucky in having a man of such high standards to be our teacher and friend. To you, Mr. Rogers, we dedicate this, our 1957 HILLTOPPER.

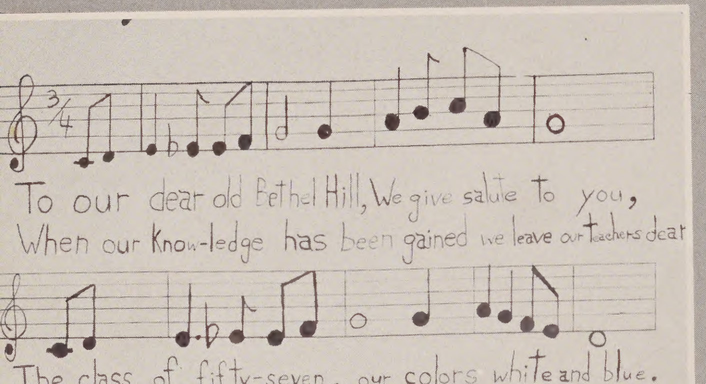
CLASS SONG



To our dear old Bethel Hill, We give salute to you,
When our know-ledge has been gained we leave our teachers dear
The class of fifty-seven, our colors white and blue.
We go out into the world, our future is not clear.
You have taught us through the years to love and honor, too
When we reach our goal in life, we'll owe it all to you.
To our dear old Bethel Hill
To our dear old Bethel Hill
We will always stand by you.
We forever will be true.

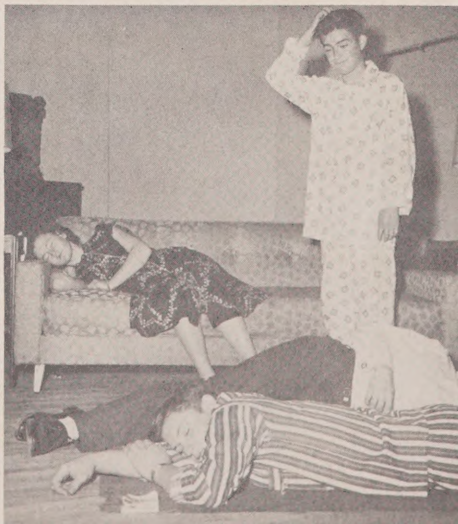
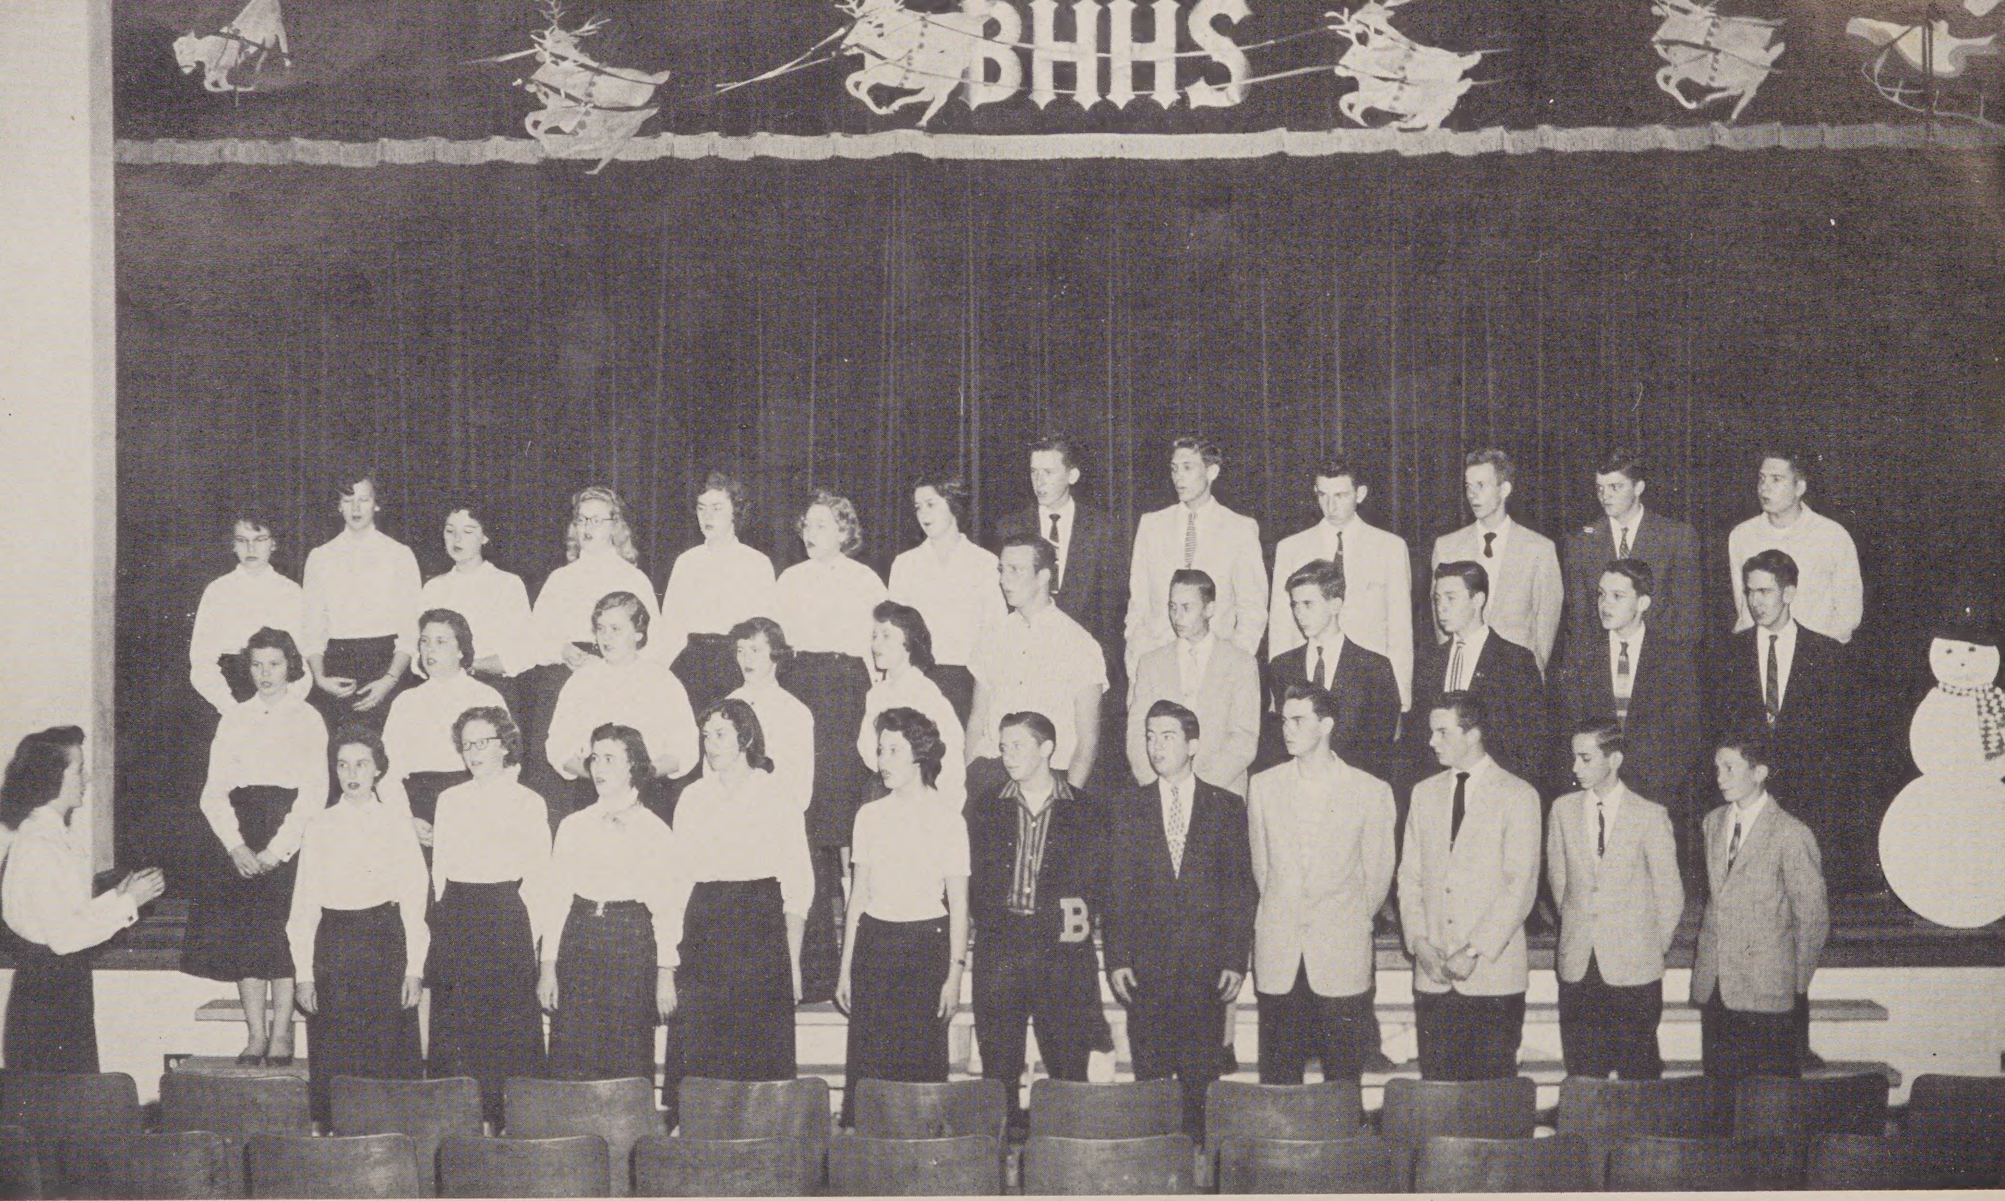
ACTIVITIES

The activities of games and various clubs we enjoy at B.H.H.S. add liveliness to the routine of a school day. The clubs are organizations which the members enjoy and frequently much knowledge is unconsciously gained.

DRAMATICS CLUB

The Bethel Hill High Dramatics Club, The Stage Hands, was founded for the purpose of learning and practicing the stage arts. Activities of the club are conducted in a free and enjoyable atmosphere. The Stage Hands are persons who can find pleasure in the skillful execution of dramatic presentations.





GLEE CLUB

Bethel Hill's Glee Club is a talented vocal organization devoted to good vocal presentations. Its development has been continuous through the years. The Glee Club now is a strong body of singers who enjoy their art.

LIBRARY CLUB

The Library Club is organized for making and continuing of orderliness in the library and its files. Its members are so often seen busy managing and arranging the library.

MONOGRAM CLUB

To the members of Bethel Hill High's Monogram Club, the school owes its athletic record in all sports. Its members are the persons who have represented our school both on our own playing fields and those of other schools. Some of the club's members may someday reach various degrees of fame by their prowess in their chosen sports. May our athletic teams ever have success in their contests and continue their excellent sportsmanship.

F.H.A.

Members of the Future Homemakers of America are girls acquiring the skills of successful homemakers and learning to assume the responsibilities they will find later in their lives.

F.F.A.

FUTURE FARMERS OF AMERICA
BETHEL HILL CHAPTER

Boys of the Future Farmers of America learn to make their living from the soil by the methods of modern agriculture.

4-H CLUB

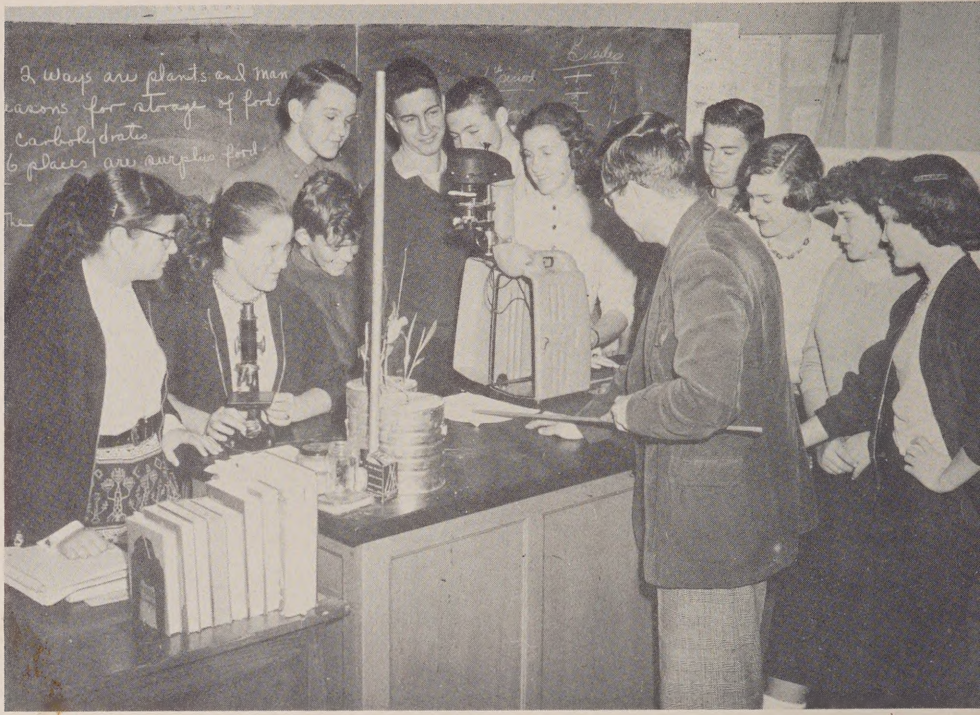
The members of the 4-H Club learn to use their heads, hearts, hands, and health, for more usefulness in rural America. They learn the talents of leadership, agriculture, homemaking, and many other skills of rural life.

EMERGENCY DOOR

BUS DRIVERS

It is to the bus drivers of Bethel Hill we owe our fine bus safety record. These excellent drivers are entrusted with the lives of hundreds of students each day.

SCIENCE CLUB



The Science Club of B.H.H.S. is composed of students especially interested in science and its various aspects. Each member's project is one he chooses and completes himself.

PIANO STUDENTS

These persons, from among the students of Bethel Hill, are occupied with the acquisition of the talents of the ivories. Some of these students are those who provide musical accompaniment for the school assembly programs.

STUDENTS OF THE MONTH'S

These students of B.H.H.S. have, by their extracurricular activities and scholastic averages, proven that they each merit the title "Student of the Month." This distinction is one accredited only to the elite of the student body; those to whom their fellow students turn for leadership and guidance in their school affairs.

Each month the Student Council nominates candidates for that particular month. These nominees are voted upon by the high school faculty and the one receiving the highest number of votes is thus the Student of the Month.

HOMECOMING ATTENDANTS

During the half-time of the Cathedral Latin--Bethel Hill football game of October 26, 1956 ceremonies of coronation were held for the '56 - '57 Queen of Homecoming. Attending couples were chosen by popular vote of each class for their part in Ceremonies of Homecoming.

HOMECOMING QUEEN

To Nancy Poindexter was given the highest honor that Homecoming offers: that of being Queen of Homecoming and the following Homecoming Dance. In the continuing tradition of Homecoming, the Queen comes from the Senior Class and is voted upon by the entire body of the high school. It was by her popularity among all students that she was given this honor.

HALLOWEEN

Halloween, that magic time when mischievous spirits and lively laughter occupy the night, is for Bethel Hill an evening of fun--making and fund--raising.

It was by the energetic working of the '55 - '56 Junior Class that they built the scenery and arranged the lighting for the Junior - Senior Banquet of 1956. Much energy and imagination by the Juniors went into the planning and making of the Banquet they tried to make "the best yet!"

Although Bethel Hill's football season was not an illustrious one, many spirited games were played and often the entire team as well as individual players were commended for their sportsmanship. Many hours of concentrated coaching by Coach Paul Pryor were given to the development of the B.H. team this season.

We believe that the team has gained much experience this season, even with its losses sustained in the season's play. This experience can be very valuable in later seasons as the younger players rise on the squad to positions of greater fame and importance. May our grid teams improve with the seasons and the experience gained thereby.

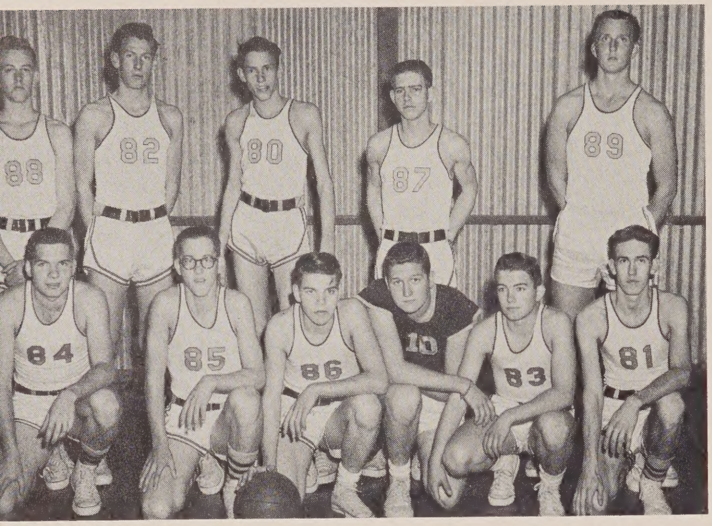
THE HILLTOPPERS



The Bethel Hill Hilltoppers and Hilltopperettes have both appeared with strong teams which are expected to make some good conference play of the '56 - '57 season. Few veteran players are members of the Hilltoppers this season; nevertheless, many skilled, agile players are among them.

The Hilltopperettes, the B. H. girls cage team, has shown some fine play in the action-filled games they have played.

Both the boys' and girls' teams have exemplified the sportsmanship that their school has, almost as a tradition.

Workers in the lunchroom are skilled in their work of preparing food for hundreds of students each day. Their services are also very essential.

The janitor is one of the school's most valuable members, as it is to him that the care and the heating of the school are entrusted. His well-done services are essential to the school.
